### 04 SAFETY ON THE COURSE

The roads crossing the courses are **open to traffic**. Marshals will be posted at key points so that runners cross safely: you must follow the instructions of the organisation's staff.

Only vehicles authorised by the organisation may drive on the course. Pets are allowed on a lead, with prior permission from the organisation.

### 05 REGISTRATION

**Opens:** 10 August at 14:00.

**Closes:** 8 November at 23:59, on the registration platform (weevens.com).

Entries per race are limited. The organisation reserves the right to raise or lower this limit depending on demand or low take-up in any race.

#### CONFIRMATION

Your entry is only valid once payment is made. You will receive an email with a summary of your details and a **security code** to manage changes or cancellations yourself: keep it. Check your spam folder to make sure our messages reach you.

### WAITING LIST

If entries sell out, the platform opens a waiting list in order of registration. When a bib becomes available you will receive an email with a payment link and **48 hours** to complete it. If the deadline passes, we will take it that you have withdrawn and the bib goes (irreversibly) to the next person on the list.

### 06 CHANGES AND WITHDRAWALS

**Change of distance:** only to a shorter distance, up to one week before the event. Moving up to a longer distance is not allowed.

**Change of name:** up to one week before, you may transfer your bib to another person who meets the participation requirements. Transferring a bib without notifying the organisation leads to disqualification, and both the person using the bib and the one transferring it are excluded from future editions.

**Withdrawals:** registration fees are not refunded.
